**Re: Diamondhead Water and Sewer District
Sanitary Sewer Improvements Phase IV**

Dear General Spraggins,

Please find attached for review, a **SHOVEL READY** project designed to improve coastal water quality, protect our natural resources, and mitigate damage to fish and wildlife. Utilizing a combination of Diamondhead Water & Sewer District funds and GOMESA grant money, the District has already successfully completed construction of the downstream portion of the project (Basins 13, 16, and 17 Sewer Improvements.)

The Phase IV Project will require \$2,992,871.53 to complete. We are requesting 100% of this total, which is \$2,992,871.53 in GOMESA funds to fully address the water quality needs to properly maintain our coastal waters, mitigate damage to wildlife, and protect our natural resources.

Best regards,

A handwritten signature in blue ink, appearing to read 'Mark Seymour, Jr.' with a stylized flourish at the end.

Mark Seymour, Jr., PE
